

Oversize Pallet Conversion Table

Your local collection depot must be contacted prior to booking pallets with a length greater than 2.4m.

Please also note that tail lift is not available for pallets larger than 1.80m x 1.20m.

Please use the table below to calculate the number of pallet spaces based on your pallet dimensions = Length x Width

Price = tariff pallet zone rate x number of spaces + additional surcharges (if required) + fuel

Pallet Spaces

Width	1.51m x 2.0m	2	3	3	4	6
	1.21m - 1.50m	1.5	2	2	3	4
	1.01m - 1.20m	1	1.5	2	3	3
	0.51m - 1.0m	1	1.5	1.5	2	3
	Up to 0.50m	1	1.5	1.5	2	3
	Dimensions	Up to 1.20m	1.21m - 1.40m	1.41m - 1.80m	1.81m - 2.40m	2.41m - 3.0m
Length						

If your pallet dimensions exceed the table above please contact our pricing department on 0800 158 4401 or Email: pricing@freightroute.co.uk
